Cont'd...

Take first left, on to **Leicester Row**, off **Foleshill Road (B4113)**. Follow road round to the left, and then at the bottom of the hill to the right.

As you come round the corner, there is a road peeling off to left, **stay on the road to the right, uphill on St Nicholas Street**. You will pass a residential development and canal quayside on your right, after which turn right into **Drapers Field**.

Carry on over the brow of the hill, and as you start heading down-hill, turn right, and right again into a small private service carpark that is at the back of our Office.

Park on the right handside, in one of the Visitor's Spaces, and walk through the buildings on your left to the quayside. We are Unit 12A above a quayside tea shop called, The Country Crust.
